All Lee Filters gobos have a number prefixed with GB. To specify the size and style you require, simply add A, B, M or E (see sizes below) between the GB and the number.

So if you want to order the Santa's Sleigh pattern (GB430 001) in B size, the order code is GB B 430 001.

Dimensions are:

Size	Overall diameter (mm)	Image diameter (mm)
A	100	75
B	86	64.5
M	66	49.5
E	37.3	29

The Art of Light

www.leefilters.com

CUSTOM GOBOS
 Custom made gobos are available in either steel or glass and can normally be produced within 4 working days. To ensure the best possible quality gobo, please try to provide the best quality artwork possible, such as a vector EPS file. Artwork can be accepted via Email, sales@leefilters.com or by fax and disc. We will be pleased to discuss any design questions you may have and to help you decide the best gobo to suit your requirements.

When ordering please provide the following details:

- Gobo size
- Image size
- Lantern/Lamp size
- Quantity
- Front projection / Back projection
- Date required
- Delivery address

Please note that each new design/size will incur a tooling charge.
